

You'll need to time your arrival at the Air Transit Terminal very precisely. Here are some details you need to know.

Transit terminal guards inspect the cargo every 20 minutes starting on the hour.

Checkpoints take exactly 10 minutes each to search the undercarriage of the vehicle and verify the credentials of the transport crew.

Processing takes 20 minutes. Transfer to a secure military vehicle takes 15 minutes.

Missile Separation takes about 40 minutes. Regulatory Certification takes 30 minutes.

You must arrive after the cargo has reached the Air Transit Terminal and before the first guard inspection.

Here's a badge number that may help you unlock the vehicle:
