

Reporting Officer: Inspector H.R. Bigglesworth

Person of Interest: Dr. Ravenna Laveau

1 2	R.L.	Inspector, I have little time for an interview. I have no idea what happened to our students, and suggest you start looking for them immediately.
3	H.R.B.:	Students? I was under the impression that there was only one student unaccounted for - a miss Anna Marks.
4 5	R.L.	I mean, yes, she is the only one missing. But I have had difficulty contacting a couple of her friends, and need to make sure they are on campus where they are supposed to be.
6	H.R.B.:	Maybe if you give me their names and contact information, I could
7	R.L.	There's really no need.
8	H.R.B.:	It could be very important.
9 10	R.L.	Fine, it's Tatiana, and Ravi, something-or-the-other. I will have my secretary pull their cards and send you the information. Is there anything else?
11 12	H.R.B.:	Well, Anna was last seen Tuesday evening, and was reported missing Wednesday morning. It's now Thursday. Is there any reason to believe that she didn't just go visit friends for a couple of days?
13 14	R.L.	Absolutely not. Anna is an extremely responsible person and a top student here at the academy. She wouldn't just leave, what with the earthquake activity and all.
15	H.R.B.:	I don't follow.
16 17	R.L.	No, I wouldn't expect you to. You'll just have to trust me - that girl is in danger, and the sooner you can find her, the safer we all will be.
18	H.R.B.:	I'm sorry? Safer? We all?
19 20	R.L.	I have nothing more to say, and that's all the time I have. Please do your job and find that girl. I trust you can see yourself out.
21	H.R.B.:	Yes, uh, thanks for your time.
