

The Sacred Oath

I solemnly swear to carry out these most important duties of the Sacred Order of the Sphere:

- 1. Protect the township of Salem, ensuring its continuation as a source of balance between the opposing elements of nature.*
- 2. Protect the institution of the Darkmoor Academy, ensuring its continuation as a fount of knowledge in the protective arts.*
- 3. Ward against the violent upheaval of the earth every 65 years, as underworld forces attempt to disrupt the elemental balance it is our sacred duty to maintain.*
