YOU!**

For Being SO Wonderful!
YOU'RE THE BEST!

Anna,

Thanks for all your help with the interview! You are such a good friend! Your prep questions were spot on, and I think they were impressed! And I absolutely slayed in the black skirt and diamond earrings. Can I keep them? LOL!

I snuck in your room and returned the wool blazer (thrift store? really?), but couldn't get the jewelry box open, so didn't feel comfortable leaving the earrings. I owe you a dinner for all your help - we can make the swap then.

Hugs and kisses!

Lisa.
